Europe and Asia	125.4	77.1
Azerbaijan	112.3	67.3
Russia	9.7	6.4
UK	3.4	3.4
Total Development and Production International (DPI)	712	491
Equity accounted production		
Venezuela: Petrocedefiño ⁽³⁾	11.2	11.2
Total Development and Production International (DPI) including share of equity accounted production	723	502

⁽¹⁾ In PSA countries our share of capital expenditures and operational expenses are computed on the basis of equity production.

⁽²⁾ In 2013, Statoil changed its policy for reporting U.S. entitlement volumes from including royalty volumes to excluding royalty volumes.

⁽³⁾ Petrocedefiño is accounted for pursuant to the equity accounting method.
