Europe and Asia	106.9	64.4
Azerbaijan	95.0	55.9
Russia	9.2	6.0
UK	2.6	2.6
Total Development and Production International (DPI)	732	534
Equity accounted production		
Venezuela: Petrocedeño <sup>(3)</sup>	11.7	11.7
Total Development and Production International (DPI) including share of equity accounted production	744	546

(1) In PSA countries our share of capital expenditures and operational expenses are computed on the basis of equity production.

(2) In 2013, Statoil changed its policy for reporting U.S. entitlement volumes from including royalty volumes to excluding royalty volumes.

(3) Petrocedeño is accounted for pursuant to the equity accounting method.
