If you are in any doubt about any of the contents of these restrictions, or whether any of these restrictions apply to you, you should obtain independent professional advice without delay.

If an Existing Shareholder subscribes for Dividend Shares and unless the Company in its sole discretion determines otherwise on a case-by-case basis, that Existing Shareholder will be deemed to have made or, in some cases, be required to make, the following representations and warranties to the Company and any person acting on the Company's or its behalf: a) the Existing Shareholder is not restricted from receiving Dividend Shares pursuant to the Terms and Conditions and the regulatory and legal requirements of any applicable foreign jurisdiction; and b) the Existing Shareholder is not acting, and has not acted, for the account or benefit of a person to which the Dividend Issue cannot be lawfully made.

The Company and its affiliates and others will rely upon the truth and accuracy of the above acknowledgements, agreements and representations and agrees that, if any of the acknowledgements, agreements or representations deemed to have been made by its subscription of Dividend Shares is no longer accurate, it will promptly notify the Company. Furthermore, the Company reserves the right, with sole and absolute discretion, to treat as invalid any subscription or purported subscription of Dividend Shares which appears to have been executed, effected or dispatched in a manner that may involve a breach or violation of the laws or regulations of any jurisdiction.

Notwithstanding any other provision of this document or of the Terms and Conditions, the Company reserves the right to permit an Existing Shareholder to subscribe for Dividend Shares if the Company, in its absolute discretion, is satisfied that the Existing Shareholder in question is exempt from or not subject to the laws or regulations giving rise to restriction on the ability to subscribe for Dividend Shares. In any such case, the Company does not accept any liability for any actions that an Existing Shareholder takes or for any consequences that it may suffer as a result of the Company accepting the Existing Shareholder's subscription of Dividend Shares.
