

Dear Supplier,

Statoil is introducing a new bidding system.

Request for quotations from Statoil ASA will from now on be a PDF file for you to fill out.

Your Quotation will automatically be uploaded into our system for evaluation towards other competing bids.

The pdf-file is easy to fill out, below we give you some tips:

Open the attached pdf-file

The pdf will most likely be in protected view. To be able to read and edit the file you need to click on 'Enable All Features'

Fill inn relevant fields. The pdf-file has tooltips to assist you and guide you on the way.

Save the PDF file by clicking 'Save and Close'. Save it locally on your computer.

Return the PDF file, your Quotation, by replying to our e-mail or by clicking on the link in the e-mail:

gm_srm_in_bids@statoil.com

You can add other attachments to the e-mail, in addition to the PDF file.

All information must be written in to the PDF file. Information that is written into the e-mail itself will not be read.

Statoil expect our suppliers to quote by using this new interactive pdf-file. If you have any questions or difficulties you may contact the purchaser directly.

Best Regards, Statoil ASA
